

My Favourite Fruit

Apple

Watermelon

Class, it's Fruity Friday! Take a vote on which fruit you like better. Apple or watermelon?

No, apples taste better!

Watermelon?
Eww!

WATERMELON!

Apples are
crunchy and
delicious.

Yes, there
are fewer
seeds too.

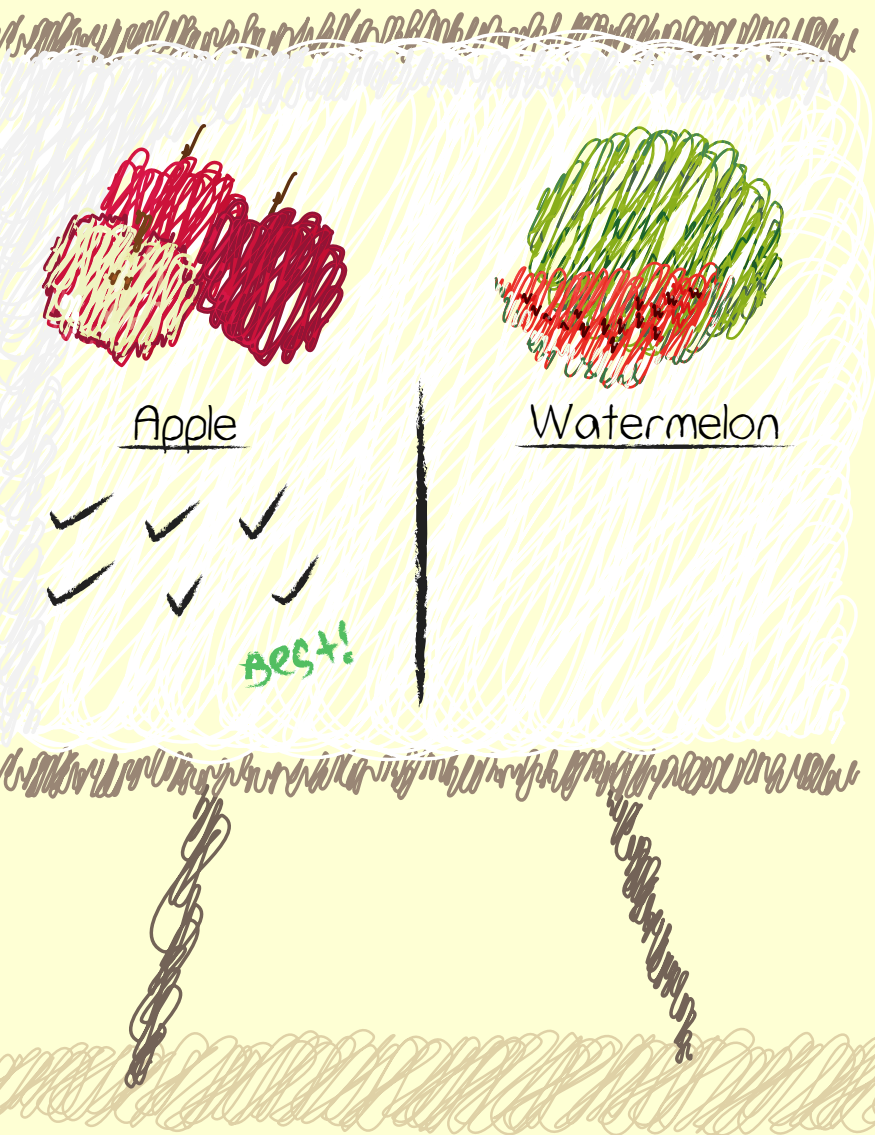

You should
choose apple!

Oh...

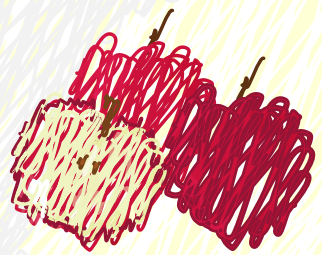

I don't think my
vote matters
since everyone
chose apple.

Maybe I should
just follow
everyone else...

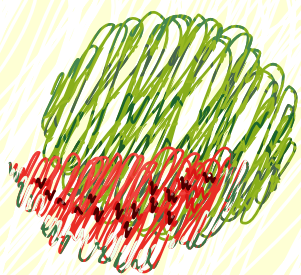

Hey, everyone
voted for apple.
Why didn't you?
