

# The Reflection In My Mirror

Hello everyone! Can you tell me something unique about yourself?

As for me, my teacher says that I  
move around too much.

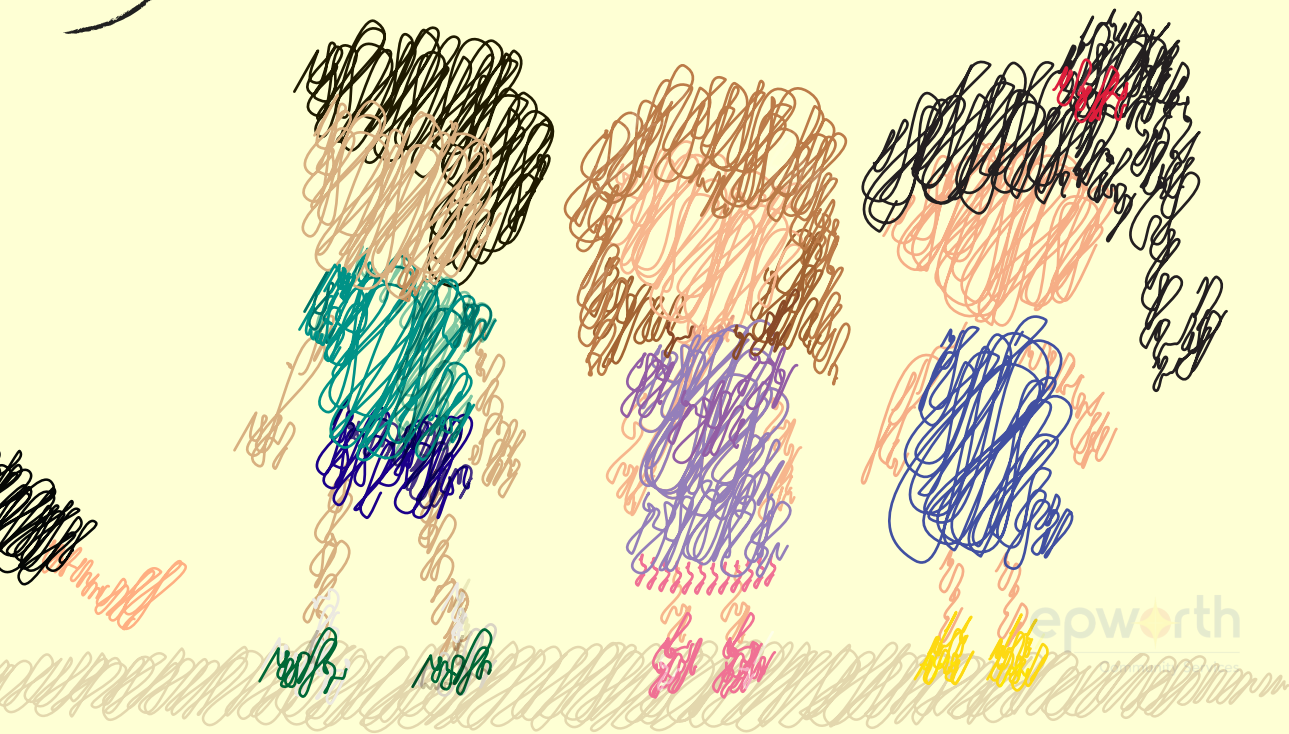

Could you please get  
back to your seat  
and stay still for the  
next 10 minutes?

My friends think that I'm quirky.

Take a look at my  
toes! I drew funny  
faces on them!

! ! !

My mum tells me that I'm a little chubby.

Well, then it's about time to  
get you new clothes again.

Mum! I can't wear all  
these clothes.  
They're too small!

Many times, I wonder, why do  
they say so?

?

But whenever I look at my own reflection  
in the mirror, there lies my answer.

Unique,  
authentic,  
ME.

So, what does  
yours say?

Be yourself.  
Because you are  
wonderfully made.

# DISCUSS WITH ME!

1. Do you think that you are different from others? How?
2. How do you feel about being different?
3. Would you make friends with someone who is different from you? How will you do that?

Unique,

ME.
