About Epworth Community Services

Epworth Community Services is a Social Service Agency (SSA) that helps at-risk and disadvantaged children and youths. We want to create a better world for them so that they can develop their potential.

‘Threads of Hope, Fabric of Healing’ is the theme for this year’s fundraising dinner. It depicts how Epworth’s programmes and services are like threads, woven together into a fabric of healing for our beneficiaries.

Your contribution is a significant thread in Epworth’s efforts - providing hope and strengthening the fabric of healing support for the children and youths whom we serve.

Epworth Community Services is affiliated to
Barker Road Methodist Church.
